This activity is jointly provided by the Utah Department of Health (Bureau of Health Promotion) and the Utah School Nurse Association. Utah Department of Health, Bureau of Health Promotion is approved as a provider of nursing continuing professional development by the Arizona Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

Criteria for successful completion: Participant must attend 100% of this activity and complete an evaluation to receive credit. 9.5 Nursing Continuing Professional Development (NCPD) credits are available for those completing the evaluation after the event. Certificates will be emailed after May 22nd (4.25 for Thursday and 5.25 for Friday)

Outcome:

As a result of this activity, the learner will self-report an intent to change their practice by applying new evidence-based skills learned on promoting student health, academic success, and the enhancing the health of students and communities.
