3:45	Conclusion and Evaluations

This activity is being jointly provided by the Utah Department of Health and Human Services (Office of Health Promotion and Prevention, HEAL program) and the Utah School Nurse Association. (please see other side)

Utah Department of Health and Human Services, Office of Health Promotion and Prevention, Healthy Environments Active Living program is approved as a provider of nursing continuing professional development by the Colorado Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Criteria for successful completion: Up to 9.5 Nursing Continuing Professional Development hours can be earned by those completing the evaluation after the event (4.5 for day 1 and 5.0 for day 2). 100% attendance is required for each day attended, along with completion of the evaluation. Certificates will be emailed after May 7th.

There are no relevant financial relationships with ineligible companies for those involved with the ability to control the content of this activity.

Learning Outcome:

At the conclusion of this activity participants who complete the evaluation will self-report they learned at least one new thing on applying evidence-based research to caring for students with chronic health conditions.

Evaluations: Here is the website for the evaluations.
